

Decorative Low Bay

Application

An aesthetically-pleasing design pendant luminaire especially for decorative interior applications. Lumitron's LMDLB-8 is suitable for metal halide lamp 70-400W. Ideal for commercial lighting applications, residential projects, hotels, condominiums, homes, shopping arcades, and etc.

Specifications

- Housing: white painted steel housing, white finish.
- High quality anodized aluminium reflector, wide beam light distribution to obtain high uniformity upon design criterions.
- Diffuser: heat resistant, tempered safety glass.
- Suitable for interiors use.
- Lampholders: RX7s heat resistant, high impulse 4kV ceramic type.
- Lamp: 70W-150W double-ended metal halide.
- Control gears: built-in type, accommodates ballast, ignitor, and P.F. correction capacitor. Lumitron offers only anti-cycling, super-posed ignitor to avoid ballast failures during ends of lamp life.
- Wiring: heat resistant, high voltage cable where applicable.
