

Standard (T/A/E-Shape)

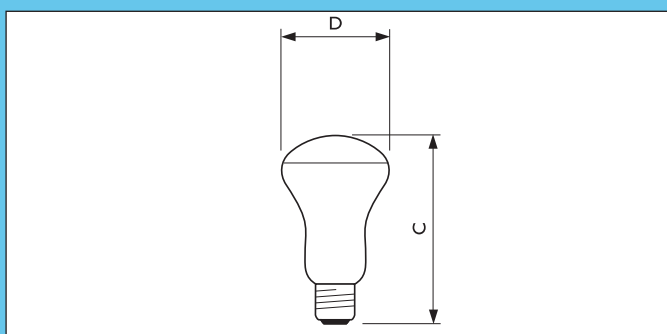

SUPERLUX W-W

SUPERLUX B22

Dimensions in mm

Classicitone Superlux

Product Description

- Mushroom-shaped (E-shaped) lamps in various diameters

Product Feature

- Partial white bulb finish with a white window in a mushroom shape
- Shields the filament and directs light to where it is needed
- Universal burning position

Product Benefit

- Gives up to 35% more light on the working plane with no extra energy consumption

Application

- Wherever higher local lighting levels are required, e.g. for reading or task lighting

Product ID	Overall length	Diameter
	C max.	D max.
25/40/60W B22	89.5	50.0
100W B22	102.5	60.0
25/40/60W E27	91.0	50.0
100W E27	104.0	60.0
