Dimensions in mm

Partytone Reflector

Product Description

- Externally lacquered reflector lamps in various colors for striking indoor lighting effects

Product Feature

- More concentrated beam with less stray light, providing a high degree of visual comfort
- Significantly improved beam light distribution, with no black spots
- Modern appearance with distinctive flatter-top shape and recessed neck
- Produced with cadmium-free lacquer

Product Benefit

- 25% more light in the centre of the beam (NR50 and NR63 versions) than standard colored reflector lamps
- NR50 and NR63 versions are small lamps producing low illuminance levels for subdued lighting

Application

- Homes children's bedrooms and in-house bars
- Social areas, bars, night clubs, dance halls, theatres
- Show windows
