## Practitone Daylight Blue

DAYBLUE B22 A60 D-B

DAYBLUE E27 A60 D-B

### Product Description

- Natural blue-tinted transparent glass bulb to filter out the excess red light characteristic of normal incandescent lamps

### Product Feature

- Color rendering close to that of daylight
- Coiled coil filament
- Universal burning position

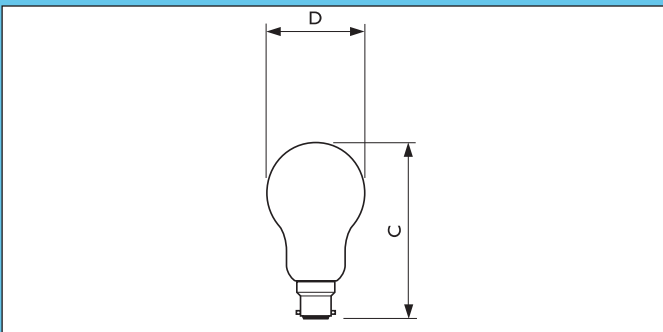

### Product Benefit

- Color rendering closer to daylight than with standard incandescent
- Bright light keeping people alert
- Cool light

### Application

- Activities which require good color rendering:
- Matching yarns and textiles
- Sorting tobaccos or cigars
- Selecting paints
- Color photography
- Advertising, design and printing companies
