

Tubular (T-Shape)

Practitone Philinea

LINEAR S14d T30 WH

LINEAR S14s T30 WH

Product Description

- Linear double- or single-ended vacuum-filled incandescent lamps

Product Feature

- Choice of clear, inside-frosted and white-enamelled finishes
- Slender shape and high luminous intensity
- Clear glass versions for brilliant lighting effects

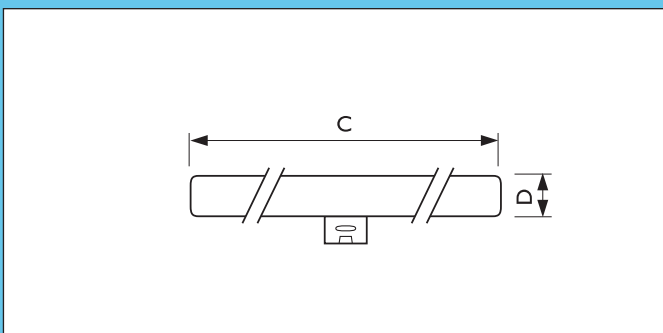

Product Benefit

- Inside-frosted versions require less screening and give low-glare lighting
- White-enamelled versions provide softly diffused lighting
- Universal burning position
- Philinea types have specially positioned lamp bases allowing installation in continuous strips of light

Application

- Shop window and showcase lighting
- Aquariums, pictures, mirrors, kitchen cabinets
- Other similar objects
